In the letter 1st read above, the Chief Executive Officer, National Institution for Transforming India (NITI Aayog), New Delhi has informed that India is deeply committed in its attempt to leapfrog the conventional mobility mode and achieve a shared, connected and zero emission future through progressive policies and initiatives.

2. He has stated that Mobility has the potential of becoming a growth engine for energizing economies and act as a catalyst for creating multitudes of employment opportunities and a global mobility summit "MOVE" is also being planned which would involve leaders from across the world, policymakers, key stakeholders, innovators and manufacturers coming together to take this dream forward.

3. The Chief Executive Officer, NITI Aayog has requested to constitute a **State Level Task-Force on Mobility** for seeking valuable inputs and understanding state specific policy measures and the objective of this task force would be to formulate a Mobility strategy for Andhra Pradesh after due deliberation on strengths, opportunities and challenges lying therein. It is envisaged that the constituted task forces would delve into pressing themes such as urban & rural mobility, public transportation, environment etc. and involve key stakeholders from state departments dealing with these aspects.

4. Government, after careful examination of the matter, hereby, constitute the State Level Task-Force on Mobility with the following Members:
